

# A Special Screening for Members of the Barnert Temple Community

Saturday, February 20  
Israeli Dinner @ 7:15 pm  
Screening @ 8 pm

Followed by  
refreshments and an  
exclusive discussion with  
Director Ronit Kertsner

*Menachem and Fred* is a touching, beautiful documentary film that tells the story of two brothers, separated as young children during the Holocaust and reunited 60 years later in Europe. Fred, now an American aerospace engineer whose children are married to Christians, and Menachem, an Orthodox Jew whose kids live in West Bank settlements, are brought together by a mutual desire to finally reconcile the dark secrets of their painful pasts.

Please join us for this extraordinary evening.
